

# Birth Certificate Translation

## Birth Certificate Translation

If you need a birth certificate translation to English from any language, you're in luck. We have specialized translators ready to work on your translation as soon as you accept our quote. If you need to have your other personal documents (marriage certificates, divorce certificates, medical records, police records, etc) translated we can do that too.

## In a Hurry?

With us, you get your certified translation the next day, sometimes faster. We know you urgently need your birth certificate or any other personal document translated fast and we strive to provide you with just that!

## Only 20 USD per page

We have the lowest prices in the industry. In order to have your birth certificate translation for USCIS, you don't have to pay an arm and a leg for that. With us, you get great translation quality, fast, and at great rates! Please note: the price is valid for pages having up to 200 words. If there are more words on the page, a price of \$0.12 per word will be charged instead.

## Birth certificate translation for USCIS

If you are coming to the US, you will definitely need to make use of marriage certificate translation and most importantly birth certificate translation services.

Our work does stand out from the others because of the extra attention that we pay to your needs.

Once we translate birth certificate for you, you can then go ahead and use these documents to fill in official applications without necessarily having to worry about any rejections.

## The advantages of using our services

1

The birth certificate is the first document you need to have translated if you're planning a visit in the United States.

2

Our offices are conveniently located in Miami and Aventura with easy access to pedestrians and vehicles.

3

Our services for translating birth certificates into English are available 24 hours a day, 7 days a week.

4

We have the lowest prices for birth certificate translation services in the US.

5

At UTS, the translations you are looking for are being done by the best translators from all around the world.

## Sample of a birth certificate translation

1

We first transform the original image you have sent to us into an editable file and translate the text.

2

Once we get your approval, we add the translation into the original template, then certify the translation.

3

What you get is a birth certificate translation to English which looks like the original.

4

We follow the strict regulations imposed by the USCIS therefore all our translations have been accepted by them.
